

Trade Fair On-Site Forwarding Tariff

effective from 01.01.2023

Service-Offer

The above forwarding agent offer a service which guarantees transportation of the exhibition goods to and from the fair without any problems, including:

1. the performance of every forwarding business at the fair grounds, such as:
 - disposal of special vehicles
 - disposal of labourers
 - storage of exhibition goods incl. advertising material
 - handling of empty boxes, etc.
2. the performance of all customs formalities, such as
 - temporary and definitive customs clearance
 - taking over of all necessary customs securities for importation and exportation
3. the organization and performance of door-to-door service (full service)
4. the arrangement of insurances

The contractual forwarding agent have modern offices and extensive storage capacities at their disposal. Their vehicles conform to the special security prescriptions, which have been issued by the Koelnmesse for the protection of the exhibition halls, technical equipment and for the exhibition goods.

Order Declaration

Concluding of contracts is only possible between the exhibitor and the forwarding agent. The invoices will be issued on the name and behalf of Koelnmesse.

Conditions of Contact

The contract forwarding agent operate exclusively in accordance with the Allgemeinen Deutschen Spediteurbedingungen 2017 - (ADSp 2017) - (German Freight Forwarders' General Terms and Conditions) and to the extent these do not apply to logistics services, in accordance with the Logistik-AGB (General Terms and Conditions for Logistics) most recent edition. **These limit in clause 23 ADSp the legal liability for damage/loss to goods in case of damage/loss to goods whilst in the care of a forwarder to EUR 5/kg, in accordance with Art. 431 of the German Commercial Code (HGB); in case of multimodal transports including sea transport to 2 SDR/kg. In addition the liability is limited to EUR 1 Million per damage respectively to EUR 2 Million per event or 2 SDR/kg whichever is the greater.**

The parties agree subsidiary, that (1) clause 27 ADSp does neither extend the liability nor the responsibility of the forwarder for agents, servants, employees or crewmembers beyond legal regulations as Art. 507 HGB, Art. 25 MC, Art. 36 CIM, Art. 20, 21 CMNI for the benefit of the principal, (2) the freight forwarder as a sea carrier is only liable for fault of his own part in case of risks provided in Art. 512 paragraph 2 no. 1 HGB such as default in navigation of the ship or fire on board and (3) the freight forwarder as a carrier defined in CMNI is relieved of liability in compliance with the requirements provided in Art. 25 paragraph 2 CMNI such as default in navigation of the ship, fire on board or defects of vessel.

In addition the Fair and Exhibition Conditions are applicable. The "Bundesfachgruppe Schwertransporte und Kranarbeiten (BSK)" terms and conditions are the basis for heavyload orders.

The invoice amount is based on the current Performance List (MSLV), available from the Cologne Chamber of Commerce and Industry and Koelnmesse. Copies of the ADSp, MSLV and other terms and conditions can be provided to exhibitors on request. They are also available to view at the premises of the contract forwarding agents.

Fair Transport Determinations

1. The exhibition goods are to be sent "freight prepaid" to the address of one of the contractual forwarding agent:

2. Each package must be signed clearly and the transportation documents must show the names of consignor and consignee and also the exhibition hall and stand no. of the exhibitor. Labels signed "Messegut Köln" are available free of charge from the Koelnmesse and the forwarding agents. Empty packages to be stored during the exhibition by the forwarding agents are to be signed with the exhibitor's name, hall and stand no. If any merchandise is to be stored during the exhibition a special notice is required.

3. Obligations are responsibilities of the contractual forwarding agent

will end - referring to transport to the exhibition stand with the delivery of exhibition goods at the marked stand, indicated by the Koelnmesse within the fixed stand erection time.

The same as applicable if the exhibitor or his delegate is not yet present.

will begin - referring to the storage of empty packing material and merchandise - with the pick up of the goods at the stand and will be end with the redelivery at the end of the fair;

will begin - referring to the return delivery of exhibition goods only - with the pick up of goods at the stand, within the indicated dismantling time, even if the exhibitor or his delegate is no longer present.

Surrender of shipping documents at the office of the contractual forwarding agents does not constitute any responsibility on their parts.

4. Damages or other claims have to be indicated in writing at the office of the contractual forwarding agent, immediately after receipt of the exhibition goods. Otherwise the responsibility of the contractual forwarding agents is obliterated

5. If there is any empty packing material in the exhibition halls just before opening of the exhibition, the contractual forwarding agent are authorized and obliged, on request of the Koelnmesse, to store the a.m. goods on account of the exhibitor. Transport and storage of empty or full freight is insured only by a separate written order.

Only genuinely empty packaging can be handed over as empty freight. No liability is accepted for any contents of packaging handed over as empty freight. A return delivery after the end of the event can only be ensured if, when handed over to the forwarding company for collection, the empty freight is sealed or tied up for secure transportation and labelled with a name, hall and stand designation.

6. Place of the performance and of jurisdiction is Cologne.
